

1972

Dear Fellow Mantinenda Residents :

It was my pleasure to see those of you who were able to attend the meeting of the Mantinenda Cottage Owners Association on July 30, 1972.

It was evident that everybody had a pleasant and rewarding time, and I felt that the several ideas proposed were most worthwhile.

Enclosed is a copy of the minutes of the meeting for those of you who were unable to attend.

Over a period of years, our parking and landing facilities have been improved but we still have a pressing problem of boat, car and trailer space at the landing. There are several people who have been working hard on this problem including Gord Davey, Ray Scholberg and Ionne Merseth. Perhaps next year some of you will come up with an idea to solve this situation.

This year's officers have set a tentative date for the 1973 meeting of Sunday, Aug. 5, 1973 at 10:30 A.M. Coffee and Donuts will be supplied by the association as approved by the 1972 meeting. We hope to see you all there, to get better acquainted, and to talk over mutual problems.

We can do more good for the lake as a solid organization.

Sincerely yours,

DON FITCH, President.

P.S. In the meantime, any ideas or assistance you may have for the Association may be mailed to our secretary,

GORDON DAVEY,
59 LANSDOWNE AVE.,
SAULT STE. MARIE, ONTARIO,
CANADA.
