

February 1, 1985

HI FELLOW COTTAGERS!

I am sorry to have to start this newsletter on a sad note, but our friend GORD DAVEY passed away on November 3rd. I attended his funeral on November 6th.

Gord will be long remembered as the driving force behind our association and I hope that we will continue the good work that he started. We will all miss him a lot.

Rowena Davey has agreed to carry on Gord's Treasurer's job till we find somebody at the annual meeting to replace her.

LAKE MATINENDA NEWS:

- We are having a beautiful winter, the weather has not been too cold and the snowfall has been moderate.
- The log chateau did not have their wild game dinner this year as they are doing some renovations.
- The rebuilding of the dam has fallen victim to the Government Austerity Program.
- I had a meeting with the gas pipeline people and that project is in full swing. They assured me that any roads they build will be winter roads and that they will pull out all culverts after they finish. The line will be passing about 500' from MacDonalds Bay.

I guess that will be all for now, but a few points to remember:

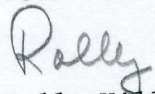

The annual meeting will be held at Dick & Doreen Timmermans cottage on August 4th at 11:00 A.M., so PLEASE PLAN TO ATTEND.

I am going to have a Directors' Meeting during the last two weeks of July.

Don't forget your gulf clubs as Huron Pines Golf Club will be in full swing this year.

SEE YOU IN THE SPRING,

Your President

Rolly Villeneuve

P.S. I am enclosing a brief summary of our financial position and the dues are still \$15.00 to be forwarded to Rowena Davey.

LAKE MATINENDA COTTAGE OWNER'S ASSOCIATION
