Letters to members
1995 to 1971

Box 772 - Blind River, Ontario - P0R 1B0

Hello Cottagers:

The ice has left Lake Matinenda earlier than usual this year much to the delight of the year round residents.

There is nothing to report in this letter regarding the Grant for the docks. We have been in constant contact with the Ministry of Northern Development but no decision has been made to date. I fear we will have to look at alternate solutions to repair our docks this summer. It has been suggested that each cottage owner on the lake be requested to donate \$50.00, as everyone uses the docks, whether they are a member of the Association or not. For the Association members this would be over the yearly dues which are \$35.00. Tony Heppler has offered to make repairs to the remaining dock, the same as the other one he was instrumental in repairing last year. This will be greatly appreciated, until a decision is made on what is to be done regarding further repairs.

Our cookbook has been completed and will be on sale this summer. Be sure and get your copy because I understand it is a lovely book. A great big thank you to Jean Denaro for all her hard work in seeing the book was completed. It was a tremendous under taking for her.

The Annual meeting will be held on Sunday 16 July 1995 at Bare Bum Bay. The Executive thought it might be fun to make it an old fashioned picnic. The Association will provide hotdogs, and the members are asked to bring a salad or a dessert. Please try to attend and join in the fun.

I want to remind everyone this is the year for elections, and would like people to think about letting their names stand for the Executive or Board of Directors. If anyone is interested please advise any member of the Executive. I will not be standing for re-election this year.

It is with regret we note the passing of three of our Association members. Trudy Fitch- Don Dilloway and Mrs. Peterfy. They will be greatly missed by everyone. Our deepest sympathy to all the families.

There is not much to report on at this time. **Hurry back to the lake!!!!**
